The vehicle meets Euro 6 emission standards. It includes a Bluetooth interface, automatic headlights thanks to its light and rain sensor, and rear parking sensors to assist with parking. For comfort, there is manual air conditioning, and for enhanced visibility, it features LED headlights, LED rear lights, and dynamic rear indicators. One of the great advantages of this particular model is its surprisingly large boot space, making it more practical than other vehicles in its class. This feature ensures you don't have to compromise on luggage capacity, whether you're doing a weekly shop or heading out for a weekend getaway.
