The SEAT Leon Cupra 280, registered in 2016, is a car equipped with a 2.0L petrol engine and boasts a range of features designed for comfort and convenience. The Winter Pack, including heated seats, ensures a warm and cosy ride during colder months. The SEAT Sound System provides an enhanced audio experience, while the front parking sensors, complete with parking assistance, make navigating tight spots easier. Stay connected on the go with the integrated Bluetooth handsfree system, which also supports Bluetooth audio streaming. This Leon Cupra 280 stands out with its impressive acceleration, reaching 0-62mph in just 5.7 seconds, demonstrating its superior performance compared to similar vehicles. In addition to its performance capabilities, it offers a large boot space, making it a practical choice for those needing ample storage.
