Petrol Plug-in Hybrid

This is a 2021 Skoda Octavia TSI iV SE Technology, a practical car with a 1.4L petrol plug-in hybrid engine. It comes in SE Technology trim and meets Euro 6 emission standards. This Octavia has had only one owner from new. It's equipped with front and rear parking sensors, complete with manoeuvre assist, making parking a breeze. Smartlink, including Android Auto and MirrorLink, ensures seamless smartphone integration. LED headlights with LED daytime running lights provide excellent visibility, while light and rain sensors automatically adjust to changing conditions. The Climatronic dual-zone air conditioning maintains a comfortable cabin temperature for all occupants. The Octavia stands out with its impressively large boot space, offering ample room for luggage, shopping, or equipment. Furthermore, it accelerates from 0-60mph in just 7.3 seconds, demonstrating its responsive performance and making it quicker off the mark than many comparable vehicles.
