The 2019 MINI Countryman Cooper S Classic, with its 2.0L petrol engine, offers a blend of iconic design and modern features. The vehicle comes equipped with the Comfort Pack, which includes climate control, heated seats, and rear parking sensors. The MINI Head-Up Display projects essential driving information directly into your line of sight, and the Navigation Pack, complete with Apple CarPlay, ensures you stay connected on the go. The inclusion of manual air conditioning and automatic headlights, activated by a rain sensor, adds to the convenience and comfort of this car. With an acceleration of 0-62mph in just 7.6 seconds, this MINI Countryman delivers a responsive and engaging driving experience. This brisk acceleration sets it apart from other vehicles in its class, offering a dynamic and enjoyable ride. The Euro 6 emission class ensures reduced environmental impact, making it a responsible choice for the eco-conscious driver.
