With only one previous owner and very low mileage of just 4255 miles, this 2024 Vauxhall Mokka Design is barely broken in. As a car with a 1.2L petrol engine, this Mokka Turbo Design boasts a host of features designed to enhance your driving experience. Stay connected on the go with the 7in Multimedia Radio, complete with Android Auto, Apple CarPlay, and Bluetooth connectivity. Navigating tight spots is made easier with the front camera system, and the automatic lighting control, including tunnel detection, takes the stress out of driving in changing light conditions. This Euro 6 emission class Mokka offers excellent fuel economy, achieving up to 51 mpg, which means fewer trips to the petrol station compared to similar vehicles. In addition, it benefits from low CO2 emissions, making it a more environmentally conscious choice. The inclusion of LED headlights and air conditioning further adds to the appeal of this Vauxhall Mokka.
