Fuel:

**Diesel**

With only one previous owner, this 2020 Mercedes-Benz A200d Sport is a fantastic example of a Euro 6 compliant A Class. The Sport trim complements the responsive 2.0L diesel engine, making it a great car for everyday use. It comes equipped with heated front seats, perfect for those chilly mornings, and includes THERMOTRONIC luxury automatic climate control with two-zone display, ensuring a comfortable environment for both driver and passengers. Navigating tight spots is made easy with the reversing camera, complete with parking guidelines and a 180-degree view. The LED high-performance headlamps, with integrated LED daytime running lights and automatic activation, provide excellent visibility in all conditions. The large boot space makes this vehicle more practical than similar vehicles in its class, easily accommodating luggage or shopping. Furthermore, the impressive acceleration, reaching 0-62mph in just 8.1 seconds, demonstrates its superior performance compared to other vehicles of this type. This Mercedes-Benz A Class offers a blend of comfort, convenience, and performance.
