**BJ21OCX**

Fuel:

**Diesel**

This Ford Kuga Titanium Edition, registered in 2021, offers a blend of style and practicality. As a car with a 2.0L diesel engine and a Titanium Edition trim, it provides a comfortable and refined driving experience. Equipped with full LED headlamps, including automatic high-low beam functionality, it ensures excellent visibility on the road. The dual-zone electronic automatic temperature control, incorporating climate control, allows both the driver and passengers to set their preferred temperatures. Parking is made easy with front and rear parking sensors, as well as a rear-view camera. This Kuga stands out with its impressive fuel economy of 58 mpg, meaning fewer trips to the petrol station. It also boasts low CO2 emissions, making it a more environmentally conscious choice compared to similar vehicles. The Euro 6 emission class further confirms its commitment to reduced environmental impact.
