This is a Ford Focus Titanium, registered in 2021. It features a 1.5L diesel engine and meets Euro 6 emission standards. The car is equipped with heated front seats and dual-zone electronic automatic temperature control, ensuring a comfortable environment for both the driver and passengers. Parking is made easier with front and rear parking sensors. The Ford Key-Free System offers keyless entry and start, adding a layer of convenience. Stay connected and entertained with the Ford SYNC3 DAB Navigation System, which includes Android Auto, Apple CarPlay, and Bluetooth connectivity. The array of features makes this vehicle stand out. The heated seats and dual-zone climate control provide enhanced comfort compared to standard models. The inclusion of front and rear parking sensors simplifies maneuvering in tight spaces, offering an advantage over vehicles with only rear sensors or none at all. The keyless entry and start system adds a touch of modern convenience, setting it apart from cars that require a traditional key. Finally, the Ford SYNC3 DAB Navigation System, complete with smartphone integration, ensures you stay connected and informed on the go, a step above basic infotainment systems.
