Experience the thrill of driving a 2023 Ford Focus ST, a car that combines performance with practicality. This Euro 6 compliant vehicle boasts a powerful 2.3L petrol engine and comes equipped with the ST trim. It features a host of advanced technologies, including a Blind Spot Information System with Blind Spot Assistance, ensuring safer lane changes. The detachable trailer coupling, complete with a towbar, adds versatility for those needing to tow. Enjoy enhanced driving convenience with the Driver Assistance Pack, which includes Adaptive Cruise Control, and the Parking Pack, featuring a Rear Camera for effortless parking. The openable panoramic roof lets you enjoy the open air and sunshine. This particular model has very low mileage, clocking in at only 2900 miles. The Ford Focus ST stands out with its impressive acceleration, reaching 0-62mph in just 5.8 seconds, offering a sportier driving experience than similar vehicles. In addition to its performance capabilities, it also offers a large boot space, making it a practical choice for families or anyone needing ample storage.
