With only one previous owner, this 2021 Volkswagen Passat is a superb example of a well-maintained car. As a Passat TDI EVO R-Line, this vehicle boasts a 2.0L diesel engine and meets the Euro 6 emission standards. The R-Line trim adds a touch of sporty sophistication, while practical features enhance the driving experience. Enjoy the convenience of keyless entry and an easy open, full electric tailgate-boot. The inclusion of automatic driving lights, thanks to the dusk sensor, ensures enhanced visibility. Furthermore, the three-zone climate control and all-LED headlights with reflector technology provide both comfort and safety for all occupants. The Passat stands out with its impressive fuel economy of 57 mpg, meaning fewer trips to the petrol station. The large boot space is another key advantage, offering ample room for luggage, shopping, or anything else you need to transport. This combination of efficiency and practicality makes this Volkswagen Passat a smart choice for those seeking a reliable and versatile vehicle.
