Automatic

Price:

£13,058.00

Registration:

EO70MSV

Fuel:

Electric

This is a 2020 Tesla Model 3 Long Range, an electric car with four-wheel drive. This vehicle comes in the Long Range trim and has had only one owner from new. Equipped with keyless entry and remote control via an app, this Model 3 offers modern convenience. The air conditioning ensures a comfortable environment, while the 12-way power-adjustable front and rear heated seats provide tailored support and warmth. Parking is made easier with front and rear parking sensors. The Model 3 boasts a battery with a total capacity of 78 kWh, providing a maximum range of 348 miles when new. For those charging at home with a 7kW charger, a full charge can be achieved in approximately 12 hours. When using a fast public charger, the battery can be charged from empty to 80% in just 26 minutes. The impressive range of 348 miles when new means fewer stops on long journeys compared to similar vehicles.
