With only one previous owner and low mileage of just 54131 miles for a 2020 registration, this Volkswagen Passat TDI EVO R-Line is a superb car. The R-Line trim adds a touch of sporty sophistication to this practical vehicle, which is powered by a responsive 2.0L diesel engine and meets Euro 6 emission standards. Enjoy the convenience of keyless entry, a full electric tailgate-boot that opens with ease, and automatic driving lights managed by a dusk sensor. The three-zone climate control ensures everyone stays comfortable, and the all-LED headlights provide excellent visibility. This Passat stands out with its large boot space, offering ample room for luggage, shopping, or equipment. The fuel economy is also a strong point, achieving around 57 mpg, which means fewer trips to the petrol station and lower running costs. Furthermore, its low CO2 emissions mean you can drive with a clearer conscience, knowing you're making a more environmentally friendly choice.
