

2020 USED Performance Plus 93.4kWh Turbo S Auto 4WD 4dr

color:		Mileage:	32933
Transmission:	Automatic	Price:	£54,558.00
Registration:	GF70YDL	Fuel:	Electric

Presented here is the all-electric Porsche Taycan Turbo S, a four-wheel-drive car registered in 2020. This Performance Plus variant comes with a host of features designed for comfort and convenience. The interior benefits from the 2+1 rear seat system and a GT sports steering wheel in leather, which is also heated. The front seats include a massage function with ventilation. The vehicle is equipped with LED Matrix main headlights in Glacier Ice Blue, incorporating the Porsche Dynamic Light System Plus. For audiophiles, there's a Burmester high-end 3D surround sound system. The Taycan Turbo S boasts impressive performance capabilities. One of its most remarkable features is its rapid acceleration, reaching 62mph from a standstill in just 2.8 seconds, setting it apart from similar vehicles. The 93 kWh battery provides a maximum range of 258 miles when new. Charging at home using a 7kW charger takes approximately 13 hours and 30 minutes. For faster charging on the go, it can achieve an empty to 80% charge in just 25 minutes at the fastest public charging points.
