

2019 USED 55 Auto quattro 5dr 95kWh

color:

Mileage:

24247

Transmission:

Automatic

Price:

£22,058.00

Registration:

LF69AFA

Fuel:

Electric

With only one previous owner and very low mileage for its year, this 2019 Audi e-tron is a superb example of a well-cared-for vehicle. Being an all-electric, four-wheel drive car, it offers a modern driving experience. The vehicle comes equipped with driver's side memory function for the electrically adjustable front seats, two-zone automatic air conditioning, and heated front seats. Parking is made easy with Parking System Plus, which includes 360-degree sensors and function-on-demand preparation, plus a rear-view camera. The Audi e-tron boasts a large boot space, making it more practical than similar vehicles. The 95 kWh battery provides a maximum range of 237 miles when new. Charging at home using a 7kW charger takes approximately 14 hours, while the fastest public charging time from empty to 80% is just 40 minutes. Acceleration is impressive, reaching 0-62mph in 5.7 seconds, demonstrating its superior performance compared to other cars in its class.
