With only one previous owner and very low mileage for its year, this 2020 Mercedes-Benz E300de AMG Line is a superb example of a Euro 6 compliant car. The vehicle is equipped with a 2.0L Diesel Plug-in Hybrid engine and boasts the AMG Line trim. Among its features are a rain sensor with automatic headlight activation, ensuring optimal visibility in changing weather conditions. The parking package, complete with a 180-degree reversing camera and active parking assist with PARKTRONIC, simplifies parking manoeuvres. The inclusion of heated front seats adds a touch of luxury, while wireless phone charging offers modern convenience. Smartphone integration, featuring Android Auto, Apple CarPlay, and Bluetooth, keeps you connected on the go. These features combine to make this particular vehicle a cut above the rest, offering enhanced comfort, convenience, and technological integration compared to similar models.
