Electric

Experience the all-electric Audi e-tron Black Edition, a four-wheel-drive car registered in 2021. The Black Edition trim comes equipped with a host of features designed for comfort and convenience. Manoeuvring is made easier with the rear-view camera and parking system plus, which includes 360-degree sensors for comprehensive coverage. The system also has function-on-demand preparation, front and rear parking assistance. Stay connected effortlessly with the integrated Bluetooth interface. Enjoy the luxury of heated front seats and maintain an ideal cabin environment with the 2-zone automatic air conditioning with climate control. The Audi e-tron boasts a large boot space, making it ideal for families or anyone needing extra room for luggage or equipment. With a 71 kWh total battery capacity, this vehicle achieves a maximum range of 195 miles when new. Charging at home using a 7kW charger takes approximately 9 hours and 10 minutes, while rapid public charging can replenish the battery from empty to 80% in just 40 minutes. The e-tron accelerates from 0 to 62mph in just 6.8 seconds, demonstrating its impressive performance capabilities.
