With only 8282 miles on the clock, this 2023 MINI Hatch John Cooper Works is barely run in. This sporty car is the John Cooper Works trim and boasts a potent 2.0L petrol engine, compliant with Euro 6 emission standards. The vehicle is equipped with 18in Alloy Wheels, specifically the John Cooper Works Course Spoke design, complete with run-flat tyres. Convenience is enhanced with features such as the automatic headlight activation switch, which includes automatic headlight activation, and the rear park distance control, incorporating rear parking sensors. The interior is kept comfortable with manual air conditioning, and connectivity is modern with Apple CarPlay integration. One of the car's most appealing attributes is its rapid acceleration, reaching 0-62mph in just 6.1 seconds. This demonstrates how this vehicle offers a thrilling driving experience when compared to similar models.
