This is a Hyundai KONA Premium, registered in 2021. As an electric car, it offers a modern driving experience, enhanced by a suite of features designed for convenience and safety. The car is equipped with Smart Adaptive Speed Control with Stop and Go, which is part of the cruise control system, making motorway driving easier. The inclusion of a wireless phone charging pad ensures your devices stay powered on the go, while Apple CarPlay offers seamless smartphone integration. Parking is simplified with front and rear parking sensors, and the keyless entry system adds a touch of convenience to your daily routine. Having had only one owner and with very low mileage of 16687 miles, this KONA Premium is ready for its next adventure. The Hyundai KONA Premium has a battery with a total capacity of 68 kWh. When new, the battery offered a maximum range of 300 miles, which means fewer stops on long journeys. For those charging at home with a 7kW charger, a full charge can be achieved in approximately 10 hours and 16 minutes. When you're on the road and need a quick boost, the fastest public charging time to reach 80% is just 53 minutes.
