With only one previous owner, this 2024 BMW iX1 30 M Sport is a superb example of a well-maintained car. Boasting the M Sport trim, this electric, four-wheel-drive BMW iX1 combines luxury with practicality. Equipped with front heated seats, automatic headlights, BMW Live Cockpit Plus with Bluetooth, and a Technology Package that includes LED headlights, keyless entry, and wireless phone charging, this vehicle offers a comfortable and connected driving experience. The Parking Assistant, complete with a rear camera and rear sensors, makes navigating tight spots a breeze. The BMW iX1 has a large boot, making it ideal for families or anyone needing extra storage space. The impressive acceleration, reaching 0-62mph in just 5.6 seconds, demonstrates its superior performance compared to other vehicles in its class. With a battery capacity of 67 kWh, it offers a maximum range of 272 miles when new. Charging is convenient, taking just 9 hours and 10 minutes at home with a 7kW charger, or as little as 32 minutes to reach 80% at a rapid public charging point.
