This is a 2020 Volkswagen Passat TDI EVO SEL, a car with only one previous owner. The vehicle is equipped with several features designed to enhance comfort and convenience. These include manual air conditioning, automatic driving lights activated by a dusk sensor, and adaptive cruise control. The Passat also boasts all-LED headlights with reflector technology and front and rear parking sensors to assist with maneuvering. With its 2.0L diesel engine, this Passat achieves around 58 mpg, meaning fewer trips to the petrol station compared to similar cars. The vehicle also benefits from low CO2 emissions, making it a more environmentally conscious choice. In addition, the Passat offers a large boot space, providing ample room for luggage, shopping, or anything else you need to transport.
