With only 875 miles on the clock, this 2023 Ford Fiesta is practically brand new. As a Trend variant with a 1.1L petrol engine, this car offers a blend of efficiency and practicality. The Euro 6 emission class ensures it meets modern environmental standards. This Fiesta comes equipped with Ford SYNC2.5, offering seamless smartphone integration through Android Auto and Apple CarPlay, as well as manual air conditioning for your comfort. LED headlights, complete with daytime running lights and integrated fog lights, provide enhanced visibility, while automatic headlights add an extra layer of convenience. This model stands out with its impressive fuel economy of 53 mpg, meaning fewer trips to the petrol station. Furthermore, its low CO2 emissions contribute to reduced environmental impact, and its low insurance group makes it an affordable choice for many drivers.
