This is a SEAT CUPRA Ateca TSI, registered in 2021. As a car with four-wheel drive and a 2.0L petrol engine, it combines practicality with performance. It benefits from having had only one previous owner and is Euro 6 emission class compliant. The vehicle is equipped with full LED headlights, ensuring excellent visibility. For added convenience, it features a wireless phone charger and dual-zone climate control. Manoeuvring is made easier with park assist, including front and rear sensors, and a rear-view camera. The CUPRA Ateca stands out with its impressive acceleration, reaching 0-62mph in just 4.9 seconds. This rapid acceleration sets it apart from similar vehicles, offering a thrilling driving experience alongside its practical features.
