This is a Volkswagen Golf TDI Life, registered in 2020. As a car with a 2.0L diesel engine and a Euro 6 emission class, this Golf comes with the Life trim. It boasts LED headlights with integrated turn signals, adaptive cruise control with a speed limiter, and front assist for enhanced safety and convenience. The inclusion of one-zone air conditioning ensures a comfortable environment, while the mobile phone interface with wireless inductive charging keeps you connected on the go. Parking is made easier with front and rear parking sensors. With only one previous owner and very low mileage of just 24,370 miles, this Golf has been well-maintained. The outstanding fuel economy of 63 mpg means fewer trips to the petrol station, saving you money and reducing your carbon footprint compared to other similar vehicles.
