This is a Volkswagen Golf R-Line, registered in 2021. As a car with a 1.5L petrol engine and a Euro 6 emission class, it combines performance with environmental consideration. Having had only one owner and driven a low mileage of 26470 miles, this Golf comes with a desirable R-Line trim. It boasts a range of features designed to enhance your driving experience, including a panoramic sunroof that brings an open-air feel to the cabin, and a rear-view camera to assist with parking. Stay connected effortlessly with the mobile phone interface, complete with wireless inductive charging. The LED headlights, incorporating turn signals, provide enhanced visibility and a modern look, while the single-zone air conditioning ensures a comfortable environment inside. One of the car's appealing attributes is its ability to accelerate from 0 to 62mph in just 8.5 seconds. This quick acceleration demonstrates how this vehicle offers a responsive and engaging driving experience when compared to similar vehicles.
