This is a 2023 Land Rover Range Rover Velar D300 Dynamic HSE, a car with a 3.0L diesel engine and four-wheel drive. The Dynamic HSE trim includes a range of features designed for comfort and convenience. Stay connected on the move with Bluetooth connectivity, and maintain the perfect temperature with two-zone climate control. The sliding panoramic roof brings an open, airy feel to the cabin, while the rear-view camera makes parking and maneuvering simple. Android Auto ensures seamless smartphone integration. The Range Rover Velar boasts a large boot, offering generous space for luggage, shopping, or equipment. With an impressive towing capacity of 2500 kg, it's well-equipped for various tasks. The Velar's acceleration is particularly noteworthy, reaching 0-60mph in just 6.1 seconds, setting it apart from similar vehicles with its responsive and powerful performance. This vehicle meets Euro 6 emission standards.
