Diesel

The 2024 Isuzu Gafter D N35, in its eye-catching Green, is a robust van powered by a 1.9L diesel engine and adheres to the Euro 6 emission standards. This short wheelbase, rear-wheel-drive vehicle comes equipped with central locking, featuring remote keyless entry and an immobiliser for enhanced security. The DAB radio-CD system, complete with Bluetooth connectivity, ensures you stay entertained and connected on the go. Manoeuvring is made easier and safer with the reverse warning system and rear parking sensors. With a substantial towing capacity of 3500 kg, this Isuzu Gafter is ready for demanding tasks. The keyless entry system offers added convenience, allowing quick and easy access. The inclusion of parking assistance via rear sensors is a valuable feature, providing additional confidence when parking in tight spots.
